WORK EXPERIENCE

Oakdale Capital **Waco, TX**
Private Equity Intern August 2026 – Current
- Conducted due diligence on a pre-revenue growth-equity deal, building financial models of key business drivers
- Joined banker calls and prepared founder-facing diligence questions as part of a fast-paced, active deal team
- Participated in pipeline meetings with company founders, supporting sourcing and evaluation of new investments

Altus Equity Group **Austin, TX**
Acquisition Intern May 2026 – August 2026
- Underwrote 55+ deals averaging $25m, analyzing cash flows, cap rates, DSCR, and levered IRR
- Analyzed deal room data across active acquisitions, evaluating asset-level financials and market comparables
- Collaborated with senior executives and investment leadership on deal strategy and portfolio positioning
- Managed broker communications across active deal pipeline, maintaining relationships and tracking inbound opportunities

Hodges Fund – Small-Cap Investment Practicum **Waco, TX**
Equity Research Student January 2026 – May 2026
- 1 of 15 selected to the Industrials, Materials & Energy house; covered Industrials on a three-analyst team
- Conducted fundamental equity research within a $1.8M student-managed portfolio
- Presented the investment thesis to the fund's faculty advisor and peer analysts, resulting in a new position being added to the portfolio with an allocation exceeding $75,000

Baylor Angel Network **Waco, TX**
Junior Analyst October 2025 – March 2026
- Conducted due diligence on 2 startup companies, analyzing markets, financials, and risks for investment committee
- Collaborated with senior analyst and angel mentors to evaluate business models and refine recommendations
- Participated in Presentation Day, collaborating with angel investors and professionally engaging with entrepreneurs

Prophet Capital Asset Management **Austin, TX**
Summer Financial/AI Analyst July 2025 - August 2025
- Streamlined Copilot to cross-reference pitch book analytics with Limited Partnership Agreements (LPAs), ensuring alignment of terms, reducing manual review time by over 50%, and increasing process optimization
- Highlighted Copilots ability to simplify complex legal language, helping team members meet regulatory requirements
- Led the firm's first company-wide demo of Microsoft Copilot, showcasing AI-driven workflows to analyze legal documents and financials, improving operational efficiency and reducing legal consultation costs

LEADERSHIP & ENGAGEMENT

Sigma Alpha Epsilon - Fraternity **Waco, TX**
Member Educator November 2025 - May 2026
- Educated 34 new members on SAE's history, values, and cultural expectations to drive long-term chapter engagement
- Organized 3 cross-chapter mixer events with sororities to develop new members' professional communication skills
- Defined clear expectations across member classes, ensuring initiates understood their responsibilities and standards
